Travelling around London:

The Transport for London website provides comprehensive information about getting around in London.
www.tfl.gov.uk

If you are flying in to Heathrow airport there is an express train service into Paddington station in central London as well as the option to take the underground from Heathrow to your destination.

www.heathrowairport.com

From Gatwick, Luton and Stansted airports there are regular trains to central London. Please see individual airport's website for details.
