- Q & A

Presented by

Marion D’Moirah - Marketing Executive
Mission Statement

Queen Elizabeth’s Foundation for Disabled People enables and supports disabled people to increase independence and improve life skills.
What is QEF?

Established in 1935, the Queen Elizabeth’s Foundation

QEF is a Family

- Mobility Services
- Independent Living Services
- Neuro Rehabilitation Services
- MERU
- VASD
- Sutton Shopmobility
Mobility Services provide

- Information Service
- Various types of Assessments
- Training for Clients & Professionals
- Equipment & Vehicle Hire
- Driving School & Retraining
We can assess driving for:

- Learner drivers with congenital conditions
- Experienced drivers with acquired injury
- Adult Passengers that need to be driven
- Parents with children that require transport
- Vocational driving assessments
Also assessments for;

- Wheelchairs & Scooters
- \textit{Try b4u Fly} aircraft transfer and seating
- \textit{Bugzi} – children’s powered wheelchair
- Car seats for children
Changed Expectations

Opportunity to drive is expected
Technology has made this more possible

More to it than just driving:

Transfer Solutions
Equipment loading
Family requirements
Independent car maintenance and safety

Cost....... £££
How much?! Depends on evidence from assessment:

Simple solutions

Medium tech solutions

High tech drive-from WAV solutions
